With this crew trailer for 4 people you get a spacious wagon with a separate shower and toilet as well as a changing room with cupboards and a drying cabinet. This trailer is perfect for the construction industry and meets all the requirements that give the employee a good working day.

The trailer contains a refrigerator and is equipped with several sockets so that there is space for, among other things, a microwave, coffee machine, etc. It is also possible to close off the dining room so that a "clean zone" can be created. A table and chairs for 4 people are included.

In the trailer you will also find a changing room that contains 4 divided cupboards with locks. There is also a built-in drying cabinet where it is possible to store damp and wet clothes.

The trailer also contains a separate bathroom with sink and toilet. Easy to handle, place and clean.
We also have crew trailers for 5, 6 or 8 people.

All light trailers from EasyWagon meet the requirements of the working environment legislation for the light trailer type in question.

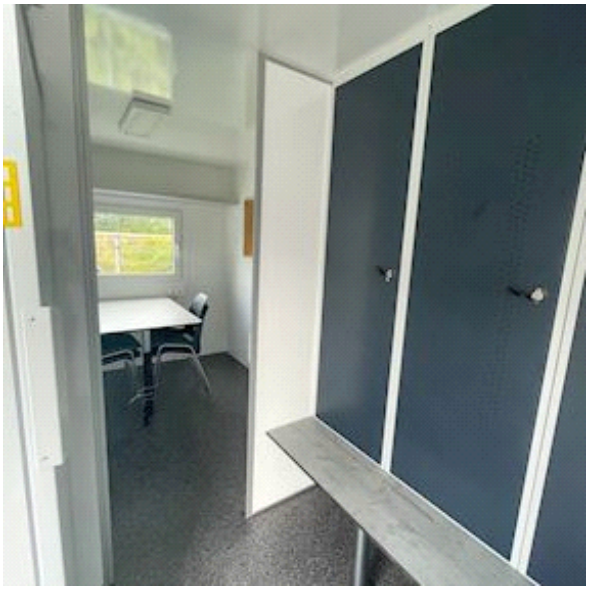

The perfect trailer for creating a good working environment.
