Beskrivelse

In this combined toilet and bath trailer, you can go directly from the changing room to the shower, where you naturally have access to both hot and cold water.
The toilet trailer is also equipped with a radiator to ensure a comfortable temperature all year round, and there are of course also ventilation options. It is the perfect trailer for, for example, construction sites, rental for renovation projects, large events.
All our trailers are spacious and have hygienic, smooth surfaces that are easy to clean.
